

HOW TO SEW A FLAMENCO DRESS THAT'S NOT JUST PRETTY BUT ALSO FIT FOR DANCING

AN ONLINE COURSE FOR CREATIVE FLAMENCO DANCERS WHO WANT TO SHOW UP AT THEIR NEXT PERFORMANCE IN A GORGEOUS DRESS THAT FITS PERFECTLY

WHAT YOU'LL NEED (NOT INCLUDED IN THE COURSE):

FABRICS (1.5M WIDE, FOR HELP SEE THE FLAMENCO FABRIC GUIDE):

- 4m dress fabric
- 1.5m lining
- 3m ruffle fabric (May vary depending on the number and size of ruffles you choose. Use the [Ruffle Calculator](#) to calculate how much fabric you need)

Fabric amounts given are fairly generous. I'd rather you have 0.5m left over than struggle to fit the pieces on the material (it's time consuming and frustrating .. I know .. :)

NOTIONS :

- 1 zipper 60cm long
- matching thread
- 1 hook & eye (optional)

EQUIPMENT :

- Sewing machine: Naturally if you have a really good machine great. But you'll be fine with a basic one. We mostly use the basic straight stitch. You'll also need a zipper foot.
- Serger/overlocker (optional): Makes life a lot easier but there are definitely options if you don't have one
- Basic sewing tools: Measuring tape, fabric scissors, tailor's chalk, pins, needle for hand sewing
- Iron & ironing board
- Large table for cutting (or space on the floor) (approx. 1.8m x 0.8m)
